The California Range War:

The Kings River Regulators Perspective

By Kings River Kid

with editorial commentary by Calgary Kate

Well it has all come down to this, Calgary Kate and Solvang Shootist have talked their trash made their claims and drawn their lines in the sand. But low and behold, Kings River Kid gets the last word (*as always*).

It seems that with all the do-gooders on the 5 Dogs and CVR posses, one club had to play the bad guys, do low down things and JUST WIN, BABY!!!! KRR will fill that spot, and gladly.

This here Range War is shaping up to be a heck of a fight. Cowhands have picked sides and it all comes down to who is the fastest with the iron. World-class shooters on every side, the fastest guns in all of SASS will be vying for the coveted "Outhouse Crooning Cowboy" trophy. The posse that has gathered at Fort Miller has slicked their guns, checked their loads, and with the Shootout at 5 Dogs Creek looming in the near future the cowboys and cowgirls of the Kings River Regulators have vowed to bring the trophy home to Fort Miller. In the true spirit of the old west, KRR has enlisted the hired guns (*because they knew they couldn't win otherwise*) known as Badlands Bud and Lead Dispenser to make certain that the coveted award goes nowhere else.

As the posse from Fort Miller mounts up make the month long ride to 5 Dogs Creek, one thought remains in everyone's mind (*course they can only have one thought at a time anyway*), will KRR be the last club standing?

The California Range War hosted by the Shootout at 5 Dogs Creek May 4-7, 2006

JUST WIN, BABY!!!
(dream on, Prairie Fairy!)

This insolence just couldn't be tolerated on the cover of our newsletter. Had to pull out the Rugers.

5DC FRIENDS AND NEIGHBORS

BEFORE APRIL'S SUNDAY SHOOT IT WAS ANNOUNCED THAT SEVERAL FOLKS WHO ARE NOT MEMBERS OF 5 DOGS CREEK COWBOY CLUB REGISTERED FOR OUR ANNUAL MATCH AND SIGNED UP TO ASSIST WITH PREPARATIONS FOR OUR ANNUAL.

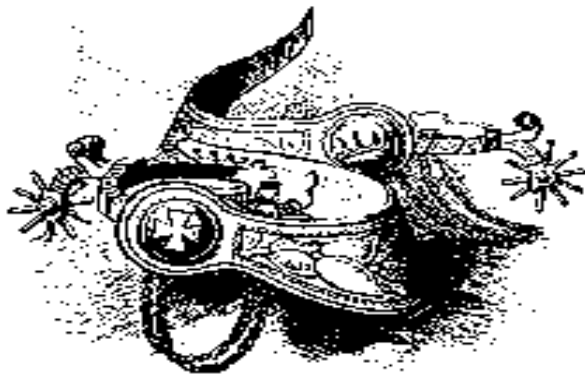

WE ARE TOUCHED BY THEIR SUPPORT AND COMMITMENT. MANY OF THESE FOLKS ARE MEMBERS OF NEIGHBORING CLUBS AND COME TO OUR CLUB FROM TIME TO TIME TO PARTICIPATE IN OUR MONTHLY MATCHES. BECAUSE THEY MAKE THE EFFORT TO COME TO 5 DOGS WE HAVE THE PLEASURE OF SHOOTING WITH WONDERFUL FOLKS THAT WE MIGHT NOT OTHERWISE GET TO KNOW.

TO LEARN THAT THEY ARE ALSO PITCHING IN TO HELP PREPARE OUR FACILITY FOR OUR ANNUAL MATCH IS HEARTWARMING NEWS. ONE FELLOW SIGNED UP TO HELP AND HE IS NOT EVEN A COWBOY SHOOTER BUT LOVES TO COME AND WATCH THE MATCHES. EACH ONE OF THESE INDIVIDUALS FEEL THEY ARE GETTING SOMETHING OF VALUE FROM BEING AT 5 DOGS CREEK MATCHES AND THEY ARE STEPPING UP TO GIVE SOMETHING BACK TO HELP KEEP A GOOD THING GOING. THAT'S REALLY GREAT, AND WE APPRECIATE IT.

LIKE MOST ORGANIZATIONS WE CAN ALWAYS USE MORE HANDS TO HELP WITH EVERYTHING THAT NEEDS TO BE DONE. OUR SINCERE APPRECIATION GOES OUT TO MEMBERS AND NON-MEMBERS ALIKE WHO ARE WILLING TO ROLL UP THEIR SLEEVES AND DIG IN TO HELP. THIS IS A GENEROSITY OF SPIRIT AND TIME THAT WE JUST DON'T FIND EVERYWHERE. 5 DOGS CREEK IS VERY FORTUNATE TO HAVE THESE FOLKS AS OUR FRIENDS AND NEIGHBORS.

Ya'll welcome:

Darlin Deb and Bad Bob to the club. First shoot being this April. All had a good time, especially those spectatin' the final stage. Darlin' Deb did really well and learned a lot, especially to be sure to load your rifle. She showed up on the last stage and started shooting only to find nothing in her rifle. Someone was definitely asleep at the loading table! Huge reminder folks. Stay alert, no matter what your role is at a stage. Someone slackin easily could ruin someone else's day. Don't cost much to pay attention.

This ain't no April fools, believe it or not folks, Montego shot a clean match. Ya'll knew he could shoot. Not just that purdy face we saw in last months issue. I'm sure he'll be given out lessons at the annual. I wouldn't mind havin a score below 300 one of these days. I'm gonna try that not missing thing one of these days.

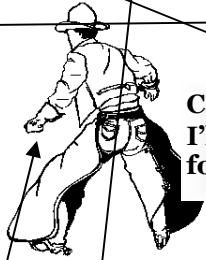

Rum is shootin purdy too. Some might call it showin' off, some would say pure luck, one was overheard to even say divinity had a role, but we're just gonna call it flair. Apparently Mr. Runner has been practicen' the hip shot with a shotgun, taking most of the targets with style. But not to show off or up-stage those of you, considered, well, "Height Challenged", Mr. Runner was scene looking over a caboose, (we just won't go there), pistols through the hole (OK, windows) still maintaining his cleanliness of the match (however the cleanliness of this write-up is questionable).

If I may quote the infamous Montego. "This was the best weekend I've ever had a 5 Dogs Creek! Every-thing went great! Great: Weather, Swap meet (bought & sold), Shooting, Friends, Humor & Fun, Pot Luck Dinner, Movie Night" What more could you ask for. Welcome to 5 Dogs. See you next month.

This is your newsletter. If you got anything to get out there send it to me and I'll do my best to include your thoughts. If you took any good pictures send them as well. Always looking to put a spin on someone else's hard work. Thanks.
